# HavEat

## Food donating app

Williams KamgaTamgno  
Krutarth Patel

—

# U.S. consumers waste 40% of food they consume each year.

---

**As an individual, what can  
we DO?**

# solution

**We can connect the  
donor and people  
with the modern way.**

We have come up with an idea of an app that could be an incredible way to donate the leftover

**THROUGH A  
MATCH MAKING  
MECHANISM** to  
people in our community.
